

Holy Trinity Church, Gosport invite you to

ADOPT A PIPE IN OUR 'HANDEL ORGAN'

Something special for you - for evermore - *Why not?*

Restoration of the historic Georgian-Victorian Organ

For a small sum, you can adopt one or more of the organ pipes in this famous historic organ, and thereby contribute to its much needed restoration. You will receive a certificate showing which pipe(s) you have adopted, and your name will be displayed on the organ case showing which pipe(s) is (are) yours. You will be helping to keep this magnificent organ playing for generations to come, as it has done since William Hill built it in 1897.

Hill included in his 1897 organ, 8 complete ranks of pipes from an organ built by Abraham Jordan, in 1720, for the Duke of Chandos, whilst Handel was the Duke's composer in residence. This collection of 8 playable, complete, ranks of Jordan pipes is unique in England, and it is these precious 432 pipes, made for Handel to play, (along with 30 huge Victorian pedal pipes) which we are offering for adoption.

Tick one or more boxes to indicate which pipe(s) from a particular octave you wish to adopt.
